*Virginia law requires us to maintain a record of the name, mailing address, occupation information (including type of work, employer and principal place of business) for each individual who contributes to our committee. Both individual and corporate contributions of unlimited amounts are permitted under Virginia law.

Please note that "occupation" should describe the type of work you do, not your title. For example, use business person, teacher, student, construction, marketing, farmer, homemaker, entrepreneur, consultant, etc. DO NOT use titles like owner, vice-president, manager, etc. IF RETIRED, write "retired" for occupation and "none" for employer name and location and indicate current state of residence. By signing below, I affirm that all of the information I have provided on the foregoing order form is true to the best of my knowledge. Additionally, I understand that:

Contributions are not tax deductible for federal income tax purposes; contributions will be deposited in a non-federal account; contributions of any amount are acceptable under Virginia law; contributions from foreign nationals are prohibited.
