- ACRU will announce our venues once we have a better idea of how many delegates have registered to vote. We will be able to follow up with the contact information you submit on your delegate registration form and via social media.
- Your ballot will include ranked choice voting- i.e. you will rank your candidates by preference on your ballot. If no candidate wins an outright majority of first-preference votes, the candidate with the fewest first-preference votes is eliminated. All first-preference votes for the failed candidate are eliminated, lifting the second-preference choices indicated on those ballots. A new tally is conducted to determine whether any candidate has won an outright majority of the adjusted voters.
- There are no fees to participate in the convention.
- You do not have to be a member of the Accomack County Republican Unit to become a delegate. The ACRU would be more than happy to have you consider joining!

The ACRU is excited and ready to offer voting sites in Accomack County and we look forward to seeing everyone on May 8th!
