Dear Bill:

Your understanding regarding resident requirements as set forth in the first paragraph of your March 15 letter is consistent with and reflects the requirements of the State Party Plan. I refer in particular to Article I Section B and the definition of "Election District" in Article II.

Sincerely,

Dear Skip:

I need you to clarify a matter which is unclear in the Party Plan. It has always been my understanding that only residents of a particular political subdivision could participate in the process, be it convention or primary, of nominating candidates for that particular political subdivision. For example, only residents of Falmouth District in Stafford County could participate in the selection of a candidate for Supervisor for Falmouth District.

Your opinion confirming (or denying) this understanding would be most appreciated. As it concerns an issue now pending, the sooner you are able to respond the better.

It would also be most appreciated if you could provide a copy of your answer to Tom Moncure at P.O.Box 5254, Falmouth, 22403. If you have any questions, please call me at (703) 373-5693 or Tom at (703) 371-9515.

In the meantime, I am

Sincerely yours,

William T. Sharp
